

UNLOCKING THE SECRETS OF BRAIN DISEASE®

Southeast Region: Support for PSP/CBD/MSA

Peer Supporters

If you are in search of one-on-one conversation about the journey you are on, please find the names and contact information of our peer supporters. Peer supporters are available to offer practical care tips, connect with local resources, and provide emotional support. Feel free to reach out to anyone on this or other regional lists, regardless of location.

Support Groups

Support groups are safe and dedicated spaces to connect with and learn from individuals and families on similar journeys. CurePSP's network of regional support groups offers opportunities to meet others in your community impacted by PSP, CBD and MSA. You can also visit www.psp.org/ineedsupport/online-support-groups for CurePSP's national support groups
